Dear Dr. Ford,

I was sorry to have missed you during my visit to the Research Council, and am pleased to learn that you are feeling better.

Please find attached, my receipts from the New York trip. I had misplaced the airline ticket stub and therefore waited until the credit card billing came through. I trust that you will find these in order.

I am looking forward to seeing the details of the conference unfold. The calibre of the potential speakers is exceptional and if we are able to attract them, will result in an outstanding meeting.

Kind regards.

Sincerely,

S.R. George, M.D., F.R.C.P.(C)

Departments of Medicine and
Pharmacology.
